IN MEMORIAM

No mystic charm, no mortal art,
Can bid our loved companions
stay:

The bands that clasp them to our
heart

Snap in death's frost and fall
apart:

Like shadows fading with the day,
They pass away.

The young are stricken in their
pride,

The old, long tottering faint
and fall;

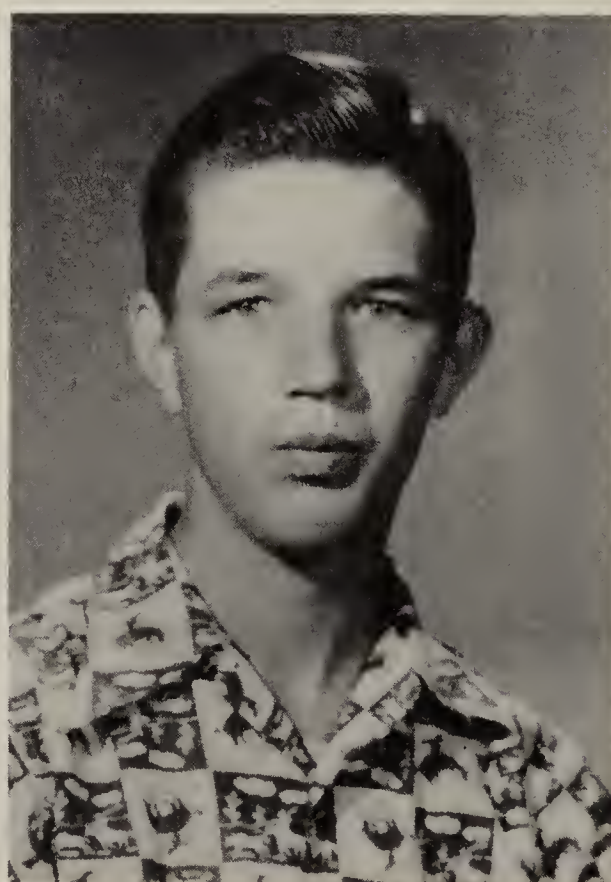

Master and scholar, side by side
Through the dark portals silent
glide,

That open in life's mouldering
wall
And close on all.

SENIOR

The end of our high school days is near
And we're going to leave our school so dear.
We, the Class of '52
Will have to start a life that's new.

But let's look back on the days we spent
(Remember how terribly fast they went?)
Let's think of the fun and troubles we had
And remember both the good and the bad.

As Freshmen, everything was new
I think we were a little frightened too.
But when initiation day was past
We felt we were really "in" at last.

When we came back for our Sophomore year
We all felt that now we belonged here.
Wearing our sweaters, we really felt neat
We all thought that our class couldn't be beat.

In our Junior year we got in full swing
And just about all of us ordered a ring.
With a burst of ambition we started to make
Money for the trip we were planning to take.

At last our Senior year had come
That's when things really started to hum!
Our pictures were taken, announcements were sent.
Our steps toward graduation were bent.

Graduation day has come at last
And our high school days are almost past.
We are all sorry to leave our school
But ever onward is our rule.

CLASS HISTORY

Our class began its long road through high school with thirty-six members. N. Girardot was elected pres., J. Braun, vice-pres., and P. Christman, sec-treas., our sponsor was Mr. Esperson. During the year we lost Carol Saunders but gained Joan Chaffin and Edward Barva.

One of the many memorable events of the year was Initiation day. Richard Bessmer was host to both of the class parties of the year; the first occurring on the night of Initiation Day, was the occasion of our second initiation--this time with tomatoes. The final game of the class tourney saw us go down to defeat before the Seniors.

The second phase of our high school career was headed by Mr. Gideon as sponsor, J. Aspy as pres., T. Emenhiser as vice-pres., and E. Richman as sec-treas. During this Sophomore year we lost Patty Elett and Gene Grotrian but gained Madelaine Berinidei and Dave Harper, the latter withdrawing again during the year.

We felt that the most important event of the year was the receiving of our sweaters, which we wore proudly with the thought that they were superior to those of any previous class. The first party of the year was held at Red Oak Ranch; the second was held at Bessmer's home. We were handed a defeat by the Juniors in the first game of the tourney, however.

As Juniors we elected R. Franke as pres., D. Ruhl as vice-pres., and K. Hobbs as sec-treas., with Mr. Jones serving as sponsor. During the year Madelaine Berinidei, Constance Sorg, and Donald Mohr withdrew, death claimed Donald Stoppenhagen, and we gained Dave Harper, Dick Koeneman and Kay Hobbs.

In order to raise funds for our trip to Washington all members participated in giving two evening performances of one-act plays. In addition, a roller skating party and the sale of magazine subscriptions were sponsored. The net from these projects amounted to nearly \$700.

Ordering and receiving class rings by nearly all of the members presented a most enjoyable episode of the year. It was our pleasure also, to win the class tournament by defeating the Seniors in the final game. The final two important events were the Junior-Senior banquet, which was followed by a movie and the baccalaureate candlelight service.

The final quarter of our high school days had the following organization: D. Ruhl as pres., N. Girardot as vice-pres., J. Braun as sec., K. Hobbs as treas., and Mr. Jones as sponsor.

At the inception of the year, Initiation Day was held for all Freshmen and new students. Shortly thereafter, we had our pictures taken and ordered our invitations and name cards. Ruth Hoffman was hostess to our class party, which consisted principally of a hayride.

The first of our monetary activities was a class play, "Dotty and Daffy." Supplementary means of raising funds were three paper drives and three scrap drives. Events which have not yet transpired to date of writing are the class tourney, Recognition Day, Junior-Senior banquet, graduation activities, and a trip to Washington D. C.

We are proud to be the first Senior Class since 1947 to undertake the responsibility of a year book; we hope it meets the fullest expectation of all H. H. S. affiliates.

Class Prophecy

Breezing along in our new 1962 jetmobile which we bought from the Ted Emenhiser Jet Works, we pull in at Hoagland High, walk through the door, and we are nearly knocked from our feet by the boisterous "inmates". Continuing down the hall a short way, we find the frenzied teacher, Miss Ruth Hoffman, in a state of nervous exhaustion resulting from her lack of discipline.

While at Hoagland we pay a call at the grocery store, where we find David Harper making a career of slicing bologna and a hobby of weighing his thumb--always, of course, while the scales support meat.

Well of all things! We see Don Bultemeier, self made game warden, pursuing some of his former school mates who were seen dynamiting fish down at the creek. He keeps his feet in one spot a bit too long to catch them, but, nevertheless, he is attempting!

Before leaving Hoagland we venture into church and observe Rev. Dean Ruhl nervously christening the sixth set of twins, born to Joyce (Braun) and Jim Aspy. Their motto is apparently, "Cheaper by the Dozen".

Traveling on we observe Gloria Hormann running a yodeling school in the former Riedorf Hayloft. She re-vamps the vocal cords in ten easy lessons.

Proceeding further we come across a lipstick factory owned by Wayne Fitzwater, who has been trying since 1952 to manufacture lip grease which retains its de-lip-tickle symmetry throughout an evening of hard useage. With Phyllis Christman as his capable guinea pig he appears to be making noticeable headway.

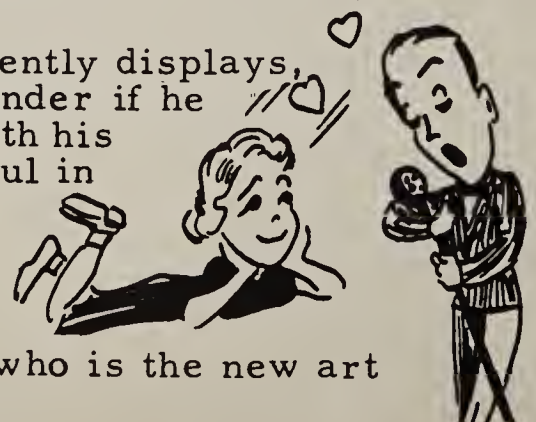

A few miles farther brings us to the Lazy H Riding Academy managed by Kay Hobbs. Her good "horse-sense" makes her the ideal person for such an equestrian pursuit.

Stopping next at the Armory, we find Virginia Kaiser, alias Killer Ginney, mauling and crushing bones in a preliminary wrestling match. Outside we find Dorothy Barclay, her trainer, waiting to pick up the pieces.

Being interested in sports, we stop next at Memorial Park. Here we find Germaine Ottenweller and Marilyn Renninger dressed in Daisy knickers, warming up for a game with the Hicksville Peaches.

Oh, what have we here? A large poster prominently displays, "Vote for long-winded Franke for Senator". We wonder if he places an age limit on the babes that he kisses. With his qualifications, Ray Franke should be quite successful in this type of vote getting.

Traveling past Vassar, we see a mob of girls Pushing our way through the crowds, we come to the center of attraction, Professor Dick Koeneman who is the new art

instructor. He seems to be creating quite a sensation!

After our departure from the university we see a large mansion with a new "Lincoln" sitting in front. Upon inquiring, we find it to be the home of the millionaire, Richard Bessmer, who owns several oil wells.

We next stop our jet-mobile in New York. Our first visit is to the "Amateur's Camera Shop", run by Carol Springer whose motto is, "I can only take what is in front of the camera."

Next door we find a small office with the desk just piled with mail. Behind the desk is Beverly Tindall who has taken Dorothy Dix's place. We wonder where she obtained her experience?

As we walk down the street, we hardly recognize Joanne Ehlen and Pat Minnick with their black hair. After a short interview we find that the two have a beauty parlor where Pat helps Joanne dye red hair black with monthly guarantees.

What is this we see now? It is a reducing parlor run by Franklin Horman. From the looks we'd say that Arlene Neuman is his best customer.

Our jet-mobile being equipped with everything, we turn on the T.V. just in time to see Joan Chaffin coming to us from the swank New York Opera House. We also turn on our Smellavision to smell the wonderful homecooked fragrance coming from the "Come in and Stay a While" restaurant run by Berky Sorg.

"One dollar, do we hear two?" That voice sounds like Byron Brames auctioning off some of his extra pens left from bookkeeping class.

Landing in Texas, we find Earl Richman engaging in his favorite sport--judging a beauty contest. (Incidentally the contest is for horses.)

While stopping to fill our fuel tank in Illinois, we visit a short time with Gloria Smith and Virginia Fryback who are the proud possessors of blue uniforms, which signify that they are members of the WAFS.

We decide that it is time to go home, so we head for good old Indiana and Fort Wayne. We arrive just in time for the exciting game between the Rochester Royals and our own Zollner Pistons. On the bench we find Neil Girardot, the new coach, who is just about to pull his hair out because the Pistons are again on a losing streak.

After leaving the game we pass a large junk yard owned by Gene Ruhl. He must have gotten his experience back in 1952 from the many scrap drives the Seniors had.

Arriving in Hoagland, we are very tired but feel that we have had a very successful trip since we were able to see and visit with all the members of that distinguished class of 1952.

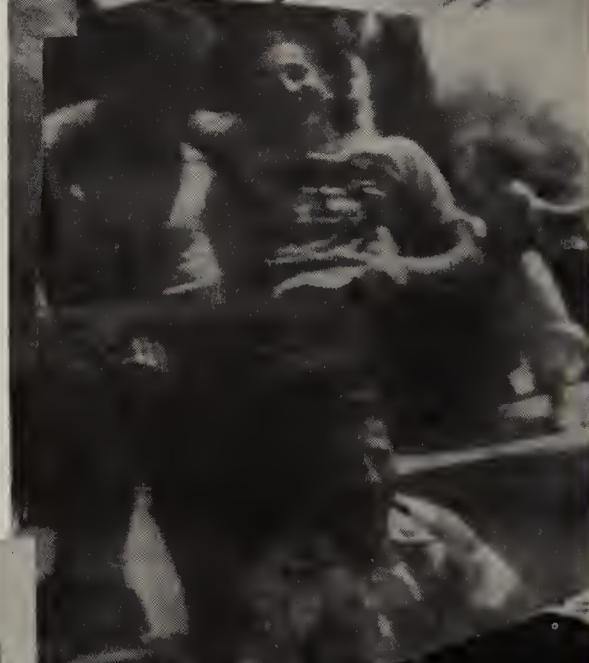

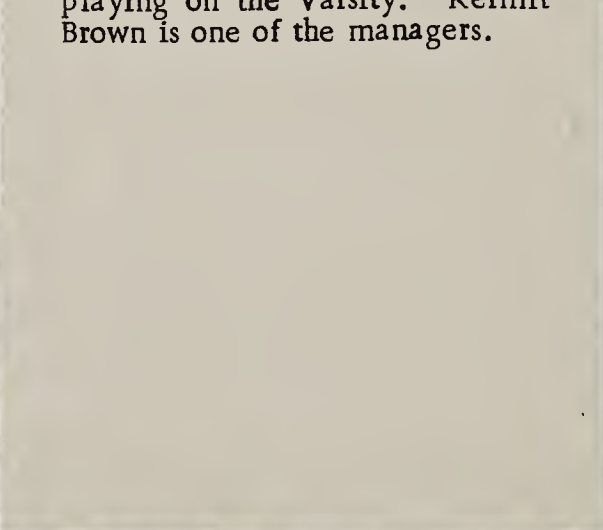

I'll Be Seeing You (next year)

The Junior Class is a very active group. They are making money by selling concessions, selling magazine subscriptions, sponsoring a dance, and giving a class play.

The Juniors bought their rings from the Josten Company this year. They all seem to be pleased with them.

Juniors on the Basketball team are: Lee Bosler, Stanley Fredricks, Dean Snider, Ervin Richman, and John Mahlan. Ervin and Lee are playing on the Varsity. Kermit Brown is one of the managers.

This year, for the first time in its history, Hoagland had a fully uniformed and marching band. Under the direction of Mrs. Dolores Mueller, it consisted of thirty-two members plus six baton twirlers and the drum major.

The band began its activities by marching in the Halloween parade at Decatur. It played and marched at all the home basketball games and played at the County Basketball Tournament. It also played several selections at the annual Allen County Band Festival.

The glee club was composed of forty-seven members. For the first performance of the year the group sang for the Fall Teacher's Institute. Later in the year it sang for the Junior and Senior plays and for bacca-laureate. The glee club also participated in the County Choral Festival and the Junior Choral Festival.

There were also several smaller groups in the music department: a girls' sextet, a boys' sextet and four girls' trios. Twenty-eight music students won medals in the Northern Indiana Music Contest and two girls participated in the State Contest held at Indianapolis.

HELPERS

The janitors are not often given enough credit for the duties they perform. We wish to sincerely thank them for all they have done during our stay here. Our janitors this year are Gustave Kleine and Sam Counterman.

The most popular place around school at noon is the cafeteria. It would not be nearly so popular if it were not for our cooks. They are June Perry, Stella Mahlan and Opal Kraft. They are ably assisted by Mrs. Hoover who plans the menus.

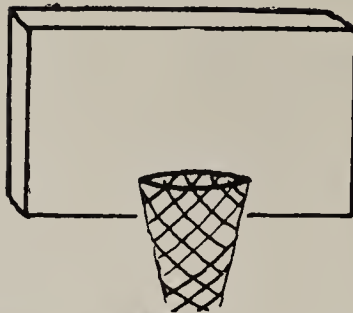

Our able bus drivers this year are: Edward Franke, Robert Scherer, Wayne Halfeldt, Austin Bergdoll, Richard Griebel, Reinhard Franke, Melvin Scherer and George Salway.

FIRST TEAM

The Wildcats had a very successful season with a record of 17 wins and only 5 defeats. The team will lose eight seniors who have been playing together since they were in the eighth grade. They have a record of 56 wins and 17 losses from the eighth grade through high school. The team went down in its first game of the County Tournament, but made a very fine comeback by winning its first two games in the Sectional Tournament. The "Cats" were beaten in the Semi-Finals by Central of Fort Wayne. This was the first time since 1938 that Hoagland had reached the Sectional Semi-Finals.

SECOND TEAM

Row One: Kermit Brown, Richard Bessmer, Neal Sheehan, Don Frane, Bob Ottenweller, Larry Beerman, Russell Rothgeb, Mr. Jones.
 Row Two: Arnie Scheumann, Kenny Koenemann, Dean Snider, Johnny Mahlan, Stanley Fredricks, Harold Kleine, Ron Aspy.

SECOND TEAM

The reserve team had a good record this year, although it was not as high as that of some previous teams. The boys lost several games by very close margins which might have been won if "Lady Luck" had been with them and their shots would have connected. The record for the season is 12 wins and 6 defeats. Since the "Kittens" have plenty of height and lots of the "ole pepper", a little more experience and practice should make a team that will be very good competition for the other county teams. The team consists mostly of Sophomores, so watch out for the squad of "54".

SOFTBALL TEAM

Bottom Row: Dean Ruhl, Gene Ruhl, Neil Girardot, Earl Richman, Ray Franke, Ervin Richman.
 Top Row: Richard Bessmer, Wayne Fitzwater, Ted Emenhiser, John Mahlan, Dean Snider, Lee Bosler, Kermit Brown.

The team opened the season this year in the new park and enjoyed a better than average record for the year. The Wildcats lost the first game in the County Tournament to Huntertown. The only Veterans of the first string returning are Lee Bosler and Dean Snider.

The Junior High team led by Mr. Wagner had a successful season, (winning 7 and losing 6) despite their lack of height.

Mr. Wagner attributes their successful season to good shooting and plenty of fighting spirit in the boys.
